Classroom Words

Students are given a vocabulary of approximately 500 words including useful verbs, number words, words commonly used in a school or classroom. The format of either "hangman" or "pyramid building" in structured groups of related words provides students with context and similarity clues to help them increase their proficiency. Designed to supplement introductory level and refresher courses.

REQUIREMENTS

Memory: 48K
No. of drives required: 1 disk and controller
Operating System: D.O.S. 3.3
Display: On any color or b/w monitor or T.V. compatible with your microcomputer.

IMPORTANT: THIS SOFTWARE PRODUCT IS LICENSED BY CONTROL DATA TO ITS CUSTOMERS FOR THEIR USE ONLY ACCORDING TO THE TERMS OF THE LICENSE AGREEMENT CONTAINED IN THIS PACKAGE.
PLEASE READ THIS AGREEMENT BEFORE USING THIS PRODUCT.

Important: Please Read Before Using This Product

Control Data Publishing Company, Inc.
License Agreement and Limited Warranty
Software Disk Product

This software disk product is licensed by Control Data Publishing Company, Inc. ("Control Data") to its customers for their use only, on the following terms and conditions. Using this product indicates your acceptance of these terms and conditions. If you do not accept or agree with them, you should immediately return the entire product and related documentation unused with proof of purchase for a refund of your money.

1. **License.** Control Data grants you a personal, nonexclusive license to use this Software Disk Product ("Product") and related documentation subject to this Agreement. A back-up copy of the Product may be included and is subject to the same terms and conditions.
2. **Copyright.** The Product and related documentation are copyrighted. You may not copy or otherwise reproduce any part of the Product or its related documentation, except that you may load the Product into your computer in order to use the Product and copy designated portions of the related documentation.
3. **Use and Transfer.** This Product is for your personal use only.

   You may:

   a. Use the Product and related documentation only on a single computer at one time.

   b. Physically transfer the Product from one computer to another.

   c. Transfer this license and the Product (including the back-up copy, if any) and related documentation to another party if you transfer the entire Product, any back-up copy, and related documentation at the same time and if the other party agrees to be bound by this Agreement.

   You may not:

   d. Transfer the Product electronically from one computer to another over a network.

   e. Make and distribute copies of the Product and related documentation to others, except for designated portions of the related documentation.

   f. Sublicense, modify in any way, or prepare derivative works of the Product and related documentation.

   g. Use the Product and related documentation on more than a single computer at the same time.

You may not use, copy, modify, or transfer the product and related documentation, in whole or in part, except as expressly provided in this Agreement.

4. **Limited warranty, disclaimers.**

a. Control Data warrants the flexible disk on which the Product is contained to be free from defects in materials and workmanship for a period of 90 days from the date you acquired it. This warranty does not cover damage due to improper use or neglect.

This limited warranty is in lieu of all other warranties, expressed or implied, including, without limitation, any warranties of merchantability or fitness for a particular purpose or content.

Some states do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

b. Except as specified above, the Product and related documentation are furnished by Control Data on an "AS IS" basis and without warranty as to the performance or results you may obtain by using the Product and related documentation. The entire risk as to the results, performance, and cost of all necessary servicing, repair, or correction of the Product and related documentation is assumed by you.

5. **Remedy: replacement or refund.** If, during the 90-day limited warranty period, a defect in the flexible disk occurs, you may return the flexible disk to the place where you acquired it. If you acquired the flexible disk directly from Control Data, you may return it along with proof of purchase indicating the amount paid and date purchased to Control Data at the following address:

Control Data Publishing Company, Inc.
Customer Service
P.O. Box 261127
San Diego, CA 92126

Control Data will replace the flexible disk without charge to you, or, at Control Data's option, refund the amount paid by you for the defective disk.

6. **Limitation of liability. Neither Control Data nor anyone else who has been involved in the creation, production, or delivery of the Product and related documentation shall be liable for damages of any kind, including special, incidental, or consequential damages, resulting from the use of the Product or related documentation or arising out of any breach of any warranty, even if they shall have knowledge of the possibility of such potential loss or damage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.**

7. **Term.** This License is effective until terminated. You may terminate it at any time by destroying the Product and related documentation. It will also terminate if you fail to comply with any term or condition of this Agreement. You agree upon such termination to destroy the Product and related documentation.

8. **Your use of this product and related documentation acknowledges that you have read and agree to the terms and conditions of this Agreement. You further agree that this Agreement is the complete and exclusive statement of the agreement between us and supersedes any proposal or prior agreement, oral or written, and any other communications between us relating to the subject matter of this Agreement.**

Replacement Disk and Back-up Disk Order Form for 5¼" Disks.

NOTE: Please type or print legibly

Return this product registration form to obtain a replacement disk or back-up disk for the PLATO Courseware package you purchased. Product registration form must be received by Control Data Publishing previous to or along with submittal of such orders.

Replacement Disks

A customer may purchase a *Replacement Disk* for one which has become damaged for $10.00. The damaged disk must be returned to Control Data Publishing. This applies to an individual disk only. Delivery is based on availability of product.

Back-Up Disks

One set of *Back-Up Disks* may be purchased (one time only) within 90 days of original purchase date for $10.00 per disk. The customer must have returned the product registration form to Control Data Publishing previous to ordering a back-up set of disks or submit it along with the order form.

Control Data Publishing supplies this courseware under a personal license agreement. Customers obtain the right to possess and use PLATO courseware by paying the prices specified and agreeing to the terms and conditions of the license agreement contained in the package.
